## INTRO

Our training programs are designed to provide clear, practical, and in-depth learning experiences that cater to different needs. Whether you are looking for personalized one-to-one support or a collaborative group environment, each course is structured to deliver comprehensive knowledge, hands-on examples, and opportunities for active engagement. This ensures that every participant gains the skills and confidence needed to apply what they learn effectively.

## INDIVIDUAL TRAINING

Individual training will be tailored to meet the specific needs of each participant, providing a focused and personalized learning experience. The training will include a complete course that covers all relevant topics in detail, ensuring a thorough understanding of the subject matter. Participants will receive step-by-step guidance, practical examples, and opportunities to ask questions, making the learning process engaging and effective. This approach ensures that the individual gains the knowledge and skills required to apply what they learn with confidence.

## PRICING & SESSIONS

R750.00 per session. Single sessions - 2 Hours per session.  
The number of sessions depends on how quickly the client completes and fully understands everything explained during each session.

## GROUP TRAINING

Group training will be delivered in a collaborative setting, allowing multiple participants to learn together while benefiting from shared discussions and experiences. The training will include a full course that covers all key topics in detail, ensuring that every participant gains a solid understanding of the subject matter. Sessions will be structured to provide clear explanations, practical examples, and interactive activities that encourage teamwork and engagement. This approach not only equips participants with the necessary knowledge and skills but also fosters a supportive learning environment where ideas and insights can be exchanged.
